Property, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be underassessed. You may appeal your assessment to the Board of Review.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact the Supervisor of Assessments office to review the assessment.
2. If not satisfied with the assessor review, taxpayers may file an appeal with the Schuyler County Board of Review. Appeal forms and the Rules and Procedures of the Board of Review are available in the Supervisor of Assessments office and on our website: <https://www.schuylercounty.org/officials/supervisor-of-assessments/>.

3. The final filing deadline is 30 days from this publication date. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties.

**Owner occupied properties may be eligible for various homestead exemptions as provided for in Section 15-165 through Section 15-175 and Section 15-180 of the Property Tax Code. Exemption information is available at the Supervisor of Assessments office and on the Assessor's page of the Schuyler County website (<https://www.schuylercounty.org>).**

Your property tax bill will be calculated as follows:

$$\textit{Final Equalized Assessed Value} - \textit{Exemptions} = \textit{Taxable Assessment}$$

$$\textit{Taxable Assessment} \times \textit{Current Tax Rate} = \textit{Total Tax Bill}.$$

All equalized assessed valuations are subject to further equalization and revision by the Schuyler County Board of Review as well as equalization by the Illinois Department of Revenue.
